NO NO NO NO NO
there is already enough compromise of privacy!!
can the government be trusted? time after time NO NO NO
will this info be used by other gov agencies?? given the bush admin 's
record>>>YES they don't care about legality-- their conception of
anti-terrorism justifies EVERY THING, including violating the bill of rights and
international law!
NO NO NO NO
R terrance stanton doctor podiatric medicine >>
no, i am not a poorly educated, isolated, fringe -group believer
